Our meeting this week was a good one although numbers were down slightly. Clive Armitage in his '5 minutes with..' was very interesting. His first experience with chewing gum will be hard to beat. Durrell Hammond's presentation on his company's biogas capabilities and the involvement with a project in Haiti was a real eye-opener. It is amazing what happens in Toowoomba and what the people from Toowoomba achieve. Guy Adamson presented Durrell with the customary cartoon which brought a smile to Durrell's face. Tim Davis won the raffle and he used the line that it is 20 something years since he won the raffle although records show he won previously with a single digit number after saying that numbers less than 10 never win. A great night.
