Another good meeting this week. Thanks to Guy Adamson for acting as Sergeant for the night. He managed a whole range of random things to relieve members of their cash. Past President Chris Clark's 5 minutes on his close brush with a terrorist attack on Corsica was very interesting. Tim Davis took the role of 'guest' speaker to give an update on Ride the Range and the changes necessary due to COVID-19 and a new 200km ride and the need for help leading up to and on the day. It is a

mammoth task to run the event and Tim and the committee continue to do a fantastic job. Tim will be allocating tasks to members and any additional assistance from family or friends is most welcome.

Greg James was the raffle winner... a book of tickets in the District Conference Raffle.
