Our meeting on 23 November 2020 was well attended and again a great speaker:

1. Past President David stood in for President David Hamilton:
 - Reminded members of the Christmas party and the meetings between now and resumption of meetings on Monday 11 January 2021
 - An update on the RFDS project, and
 - Reminder on the District Conference
2. Andrew Tilly did '5 minutes with...' and told of his family journey from Victoria, moving to Queensland and the Condamine and the experience he gained on a project for the family business of relocating pipe from Mary Kathleen to the Condamine. He attributed managing this project as giving him the confidence for his future business endeavours.
3. Suzie Byrne the Business Development Manager at St Vincent's Hospital was our guest speaker and she spoke of the history of the hospital and the new developments with the opening of the new Emergency Department which had just opened. She also addressed the impact of COVID-19 on the hospital and how the three hospitals in Toowoomba had worked together to develop a contingency plan in case there was a serious outbreak in the region. Luckily so far the plan hasn't been required but is ready to be implemented if need be.
